Acknowledgments

I would like to acknowledge DAAD and the University of Costa Rica (UCR) for all the support during this process. To my supervisors Jun-Prof.Dr. Meike Wollni and Dr. Olman Quirós for the guidance and advice. To the staff of the Department of Agricultural Economics and Agribusiness from the UCR, and to Rodrigo Agüero, Luz Barrantes, Bernardo Pérez and Cristina Romero for their collaboration in this research.

I would like to thank God for letting me accomplish this important goal in my life. To my family, especially to my mother Norma and my brother Jonathan. To my girlfriend Gloriana for taking the decision of join me in this adventure and for all the constant and priceless support. *Te Amo!*

Also I would like to express my gratitude to the Master in International Agribusiness and Rural Development program (MIA) for this opportunity. Last but not least, thanks to my classmates for the time and experiences shared, all the advice and for being my family during these two years. *Gracias chicos!*
