| <i>TABLE OF CONTENTS</i> | <i>i</i> |
| <i>LIST OF TABLES</i> | <i>iii</i> |
| <i>LIST OF FIGURES</i> | <i>iv</i> |
| <i>LIST OF GRAPHS</i> | <i>iv</i> |
| <i>LIST OF APPENDIXES</i> | <i>iv</i> |
| <i>ABSTRACT</i> | <i>v</i> |
| <i>CHAPTER ONE: GENERAL BACKGROUND</i> | <i>1</i> |
| 1.1 Introduction | 1 |
| 1.2 Objectives | 3 |
| 1.2.1 General objective: | 3 |
| 1.2.2 Specific objectives: | 3 |
| 1.2.3 Research questions | 3 |
| <i>CHAPTER 2: PRODUCT DEVELOPMENT: AN INTRODUCTION</i> | <i>5</i> |
| 2.1 New product development | 5 |
| 2.1.1 Definition of a new product | 5 |
| 2.1.2 Marketing and success factors in new product development | 6 |
| 2.2 Diffusion and adoption of new products | 7 |
| 2.2.1 Diffusion and adoption concept | 7 |
| 2.2.2 Diffusion and adoption process of a new product | 8 |
| 2.2.3 Stages of the adoption process | 9 |
| 2.2.4 Adopter categories | 9 |
| 2.3 Characteristics of the innovation that influence the adoption rate | 10 |
| <i>CHAPTER 3: THE BEACH STRAWBERRY AS A NEW PRODUCT</i> | <i>12</i> |
| 3.1 Classification of the beach strawberry | 12 |
| 3.2 Historical background of the beach strawberry | 14 |
| 3.2.1 Origin of the modern commercial cultivars of strawberries | 14 |
| 3.2.2 The Chilean Strawberry 1000 years ago | 15 |
| 3.3 Production of the beach strawberry in Chile | 16 |
| 3.3.1 Present distribution of beach strawberry in Chile | 16 |
| 3.3.2 Productive yield of the beach strawberry in Chile | 18 |
| 3.3.3 Some organoleptic features of the beach strawberry | 19 |
| 3.3.4 Origin denomination associated with the beach strawberry | 21 |
| 3.4 Channels of distribution for the strawberries in Chile | 22 |
| 3.5 The Chilean and world strawberry market | 24 |
| 3.5.1 Description of world strawberry production | 24 |
| 3.5.2 World exportation and importation of strawberry | 26 |
| 3.5.3 Description of the Chilean strawberry production | 27 |
| 3.5.4 Chilean consumption of strawberries | 28 |

| | |
|--|-----------|
| CHAPTER 4: HYPOTHESES, METHODOLOGY AND ANALYSIS OF THE RESULTS..... | 30 |
| 4.1 Hypothesis | 30 |
| 4.2 Methodology..... | 30 |
| 4.2.1 Research design | 30 |
| 4.2.2 Target population | 31 |
| 4.2.3 Sample selection | 32 |
| 4.2.4 Data collection method..... | 33 |
| 4.2.5 Sensory evaluation..... | 35 |
| 4.2.6 Conjoint analysis | 38 |
| 4.2.6.1 Shopping options | 44 |
| 4.2.6.2 Price perception | 44 |
| 4.2.7 Remarks about techniques for measuring consumer acceptance..... | 45 |
| 4.3 Analysis of the results..... | 46 |
| 4.3.1 Description of the sample..... | 46 |
| 4.3.2 General characteristics of strawberry consumption | 48 |
| 4.3.2.1 Type of strawberry purchased by the consumers..... | 48 |
| 4.3.2.2 Main place where the consumers buy strawberry | 48 |
| 4.3.2.3 Knowledge about the beach strawberry | 49 |
| 4.3.2.4 Situations where consumers would purchase beach strawberries..... | 50 |
| 4.3.2.5 Attitude toward purchasing beach strawberries produced by the small farmers from Contulmo..... | 50 |
| 4.3.3 Sensorial test for beach and red strawberries..... | 51 |
| 4.3.3.1 Acceptance test for beach and red strawberries | 51 |
| 4.3.3.2 Comparison done by the consumers of beach and red strawberries | 54 |
| 4.3.4 Consumer's attitude toward beach strawberry. A Conjoint Analysis | 57 |
| 4.3.4.1 Ideal product and importance of attributes as determined by the Conjoint Analysis | 57 |
| 4.3.4.2 Market segmentation of the beach strawberry..... | 64 |
| 4.3.4.3 Market simulation for the beach strawberry..... | 68 |
| 4.3.4.4 Shopping options for the different products assessed in the Conjoint Analysis | 71 |
| 4.3.4.5 Price perception for both types of strawberries..... | 76 |
| 4.3.5 Results of hypotheses testing | 78 |
| CHAPTER 5: DISCUSSION AND RECOMMENDATIONS | 79 |
| 5.1 Product policy for the beach strawberry..... | 80 |
| 5.2 Price policy for beach strawberries | 81 |
| 5.3 Communication policy for the beach strawberry | 82 |
| CHAPTER 6: CONCLUSIONS..... | 84 |
| REFERENCES..... | 87 |
| APPENDIXES | 92 |

LIST OF TABLES

| | |
|--|----|
| Table 1: Comparison of some organoleptic features of the beach and red strawberry | 20 |
| Table 2: Consumption and strawberry market in Chile, 1994-2003 period..... | 29 |
| Table 3: Population and Social strata classification for the district of “La Florida”..... | 31 |
| Table 4: Income levels of the different social classes..... | 32 |
| Table 5: Sensory tests: a classification of the tests and subtests..... | 37 |
| Table 6: Profiles displayed by the orthogonal design | 41 |
| Table 7: A Summary of Methodology | 45 |
| Table 8: Gender groups by frequency and percentages..... | 46 |
| Table 9: Age groups by frequency and percentages | 46 |
| Table 10: Educational levels by frequency and percentages..... | 47 |
| Table 11: Earning groups by frequencies and percentage per family group | 48 |
| Table 12: Statistic summary of the beach and red strawberries, according to the consumer acceptance test..... | 52 |
| Table 13: Sign test for the acceptance test of beach and red strawberry..... | 54 |
| Table 14: Statistic summary for the comparison of the beach (B.S.) and the red strawberry (R.S.)..... | 54 |
| Table 15: Comparison of the beach strawberry (BS) and the red strawberry (RS for age group denominated young | 55 |
| Table 16: Comparison of the beach strawberry (BS) and the red strawberry (RS) for age group Adult..... | 56 |
| Table 17: Comparison of the beach strawberry (BS) and the red strawberry (RS) for age group, Elderly | 56 |
| Table 18: Average importance of the attributes of the strawberries | 58 |
| Table 19: Profile Scores for the Conjoint Analysis of Strawberries..... | 59 |
| Table 20: Factor analysis of the consumers' attitude toward the beach strawberry | 65 |
| Table 21: Market segmentation for the strawberries according to the preferences structure of the consumers | 67 |
| Table 22: Alternative scenarios for the beach and red strawberry market | 69 |
| Table 23: Market shares of the beach and red strawberry for different scenarios..... | 70 |
| Table 24: Statistics summary of the shopping options..... | 72 |
| Table 25: Non-significant value of Mann-Whitney U test between the shopping option variables and the age, education level and social class variables..... | 74 |
| Table 26: Correlation analysis between conjoint analysis scores and shopping options for the hypothetical products evaluated..... | 75 |
| Table 27: Statistical summary of the beach and red strawberries for measuring the consumers' price perception | 76 |
| Table 28: Comparison of the three social classes and the max price willing to pay for the beach strawberry | 77 |
| Table 29: Consumer price perception for both types of strawberry | 77 |
| Table 30: Results of the hypotheses testing | 78 |

LIST OF FIGURES

| | |
|---|----|
| Figure 1: Botanical classification of strawberries | 13 |
| Figure 2: Distribution of the beach strawberry and climatic zone of the central-south and south of Chile..... | 17 |
| Figure 3: Distribution channels for strawberries in Chile..... | 23 |
| Figure 4: Questionnaire structure..... | 34 |
| Figure 5 : Attributes and levels for strawberry conjoint analysis | 40 |

LIST OF GRAPHS

| | |
|---|----|
| Graph 1: World strawberry production in the last ten years | 25 |
| Graph 2: World strawberry production, 2004 season..... | 25 |
| Graph 3: World strawberry exportation, 2003 season..... | 26 |
| Graph 4: World strawberry importation, 2003 season..... | 27 |
| Graph 5: Chilean strawberry production during the last ten years | 28 |
| Graph 6: Places of purchasing in percentage | 49 |
| Graph 7: Percentage of knowledge about the beach strawberry | 49 |
| Graph 8: Sensory profiles of strawberry types | 53 |
| Graph 9: Summary of utilities for strawberry origin denomination | 60 |
| Graph 10: Summary of utilities for the type of strawberry | 61 |
| Graph 11: Summary of utilities for strawberry price | 62 |
| Graph 12: Average importance summary of the attributes for the product strawberry | 63 |

LIST OF APPENDIXES

| | |
|---|-----|
| Appendix 1 : Questionnaire, English version | 93 |
| Appendix 2: Cards utilized in the Conjoint Analysis..... | 101 |
| Appendix 3: Reliability analysis, convergent and discriminant validity for the factor analysis of the consumers' attitude toward the beach strawberry | 104 |
